WORK EXPERIENCE

Full Stack Developer
Syntax Limited

06/2019 – Present   *Nairobi*

Software Development company based in Britain and with sub-offices here in Nairobi.

Achievements/Tasks

- Able to design systems with beautiful user interfaces and quality user experiences.
- Carrying out proper research for my projects before undertaking them.
- Ensure that a system is well tested and documented before production.
- Provide my clients with the pros and cons on each choice they make and convey my recommendations for their selections.
- Ensure the code written is well readable by other team members and easily scalable for improvement.

Contact: Benjamin Gakami – +254708153683
